Memorandum of Understanding Between

Atom Lab , Ranebennur.

AND

Department of Electronics and Communication Engineering

Smt Kamala and Sri Venkappa M. Agadi college of Engineering and Technology, Lakshmeshwar,

This Memorandum of understanding entered on 28th Aug, 2026 represents cooperation between reputed college institution and IT & Skill set Training service provider "Atom Lab" specialized in the area of electronics domain. Both the parties hereby agree to have business relationship on certain terms. Both the parties will have transparent and honest communication about expectations, concerns and potential conflicts.

Services Offered

We, on behalf of Atom Labs, are grateful to the college institute for offering us an opportunity to present our proposal for a business relationship. We can provide institute with different services such as training, internship, procuring the necessary electronics hardware for project work and research. Training and Internship will be based on trending domains of the industry demands such as Embedded Systems, VLSI, IoT, Robotics, AI etc. There will be a special focus on improving soft skills and communication skills to prepare students for the job market.

Mutual Roles and Responsibilities

Assessment of the different courses and training will be carried out jointly through mutual discussions.

Tenure of an Agreement

This Agreement shall be valid for a period of 2 years from the date of execution herein. Either party may terminate the same by serving one month's prior written notice. The institution has the option to renew the agreement for another period if the service provider performs satisfactorily.

Objectives of Associate Service Provider

Design professional courses as per the industry requirements to make students employable in the competitive environment. Atom Labs, a service provider, will provide practical hands-on learning experiences to boost students' confidence and strive to achieve the excellence.

Roles of Institution

The institution is required to provide the necessary facilities, including enough space, computers, and projectors.

Signed on behalf of

Associate Service Provider: Atom Lab, Ranebennur.
