DEPARTMENTAL EVENT REPORT

ZENITH AI –CSE (AI & ML) Association Opening Ceremony

Organized by: Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning)

Date:2nd June 2026

Venue: EEE Seminar Hall, SKSVMACET, Laxmeshwar

Coordinator: Dr. Raghavendra A., Association Coordinator

The Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning) organized its first-ever Association Opening Ceremony, **"ZENITH AI,"** on 2nd June 2026. The event marked the formal inauguration of the AI & ML Students' Association with the theme **"Invent • Imagine • Intelligence".** The primary objective was to encourage students towards innovation, research, technical excellence, and professional development.

The program was graced by **Dr. Parashuram Baraki,** Principal; **Prof. Vikram Shirol,** Chief Administrative Officer**; Dr. R. M. Patil,** IQAC Coordinator**; Dr. Subhas Meti,** Dean Academics**; and Dr. Shivaraj Hiremath,** Head of the Department, CSE (AI & ML).

The program commenced with a welcome address by **Dr. Raghavendra A**., Association Coordinator, who highlighted the objectives and importance of the association. The dignitaries addressed the gathering and motivated students to develop technical skills, participate in innovative projects, pursue research activities, and make effective use of emerging technologies. The principal encouraged students to actively participate in workshops, technical events, certifications, and other professional activities to enhance their employability.

The event witnessed enthusiastic participation from faculty members and students. The inauguration created awareness about the importance of Artificial Intelligence and Machine Learning and encouraged students to participate in upcoming activities such as technical talks, coding competitions, workshops, hackathons, and industrial interactions.

Outcomes: The event successfully established the AI & ML Students' Association, promoted innovation and research, strengthened faculty-student interaction, and motivated students towards continuous learning and professional development.

Conclusion: The ZENITH AI Association Opening Ceremony was successfully conducted and marked an important milestone in the development of the department. It provided a platform for students to explore their technical interests and actively participate in future academic and professional initiatives.
